Please talk to your parents, carers and teachers about coming along to this event.

### Information for parent/carers:

Surrey County Council have organised this event to give young people (in Year 9 upwards with EHC Plans), and their families, the opportunity to find out about post-16 options and provision available to them, to support their transition to adult life. This includes: employment, independence, community participation and good health.

You are welcome to come along at any time between 3-6pm, **no need to book.**

If you have any queries about this event, please phone: **01483 518119.**
