

Family Voice Surrey would like to ask YOU what you think of the new proposals by Surrey County Council for SEND.

Our survey parallels the Surrey County Council consultations around SEND travel, the Children's Centres potential closure in Surrey and proposed changes to SEND. Our survey seeks to allow parents and carers to give more personal detail about what they see as most important for their lives.

We are having a 'drop-in' meeting for parents and carers to come and discuss their concerns and fill in our survey for us to collate the evidence required to show Surrey County Council YOUR views on their latest proposals.

Please come and meet us:
