

29th November, 2018

Dear Miss Philips,

On behalf of Year 9, 10, 11 we would very much like to have the chance to participate in a skiing trip to Italy. We have seen the photographs from other trips and it looks amazing. My brother has been skiing with Sunnydown and he said 'it was totally brilliant!'

This trip would be a great opportunity to put the teamwork skills learnt from SOLD into a real life experience. We would be able to help each other to achieve in a new environment both on and off of the ski slopes. We would be able to learn a new skill, which we would be able to use again and take to different countries if we wanted to. This opportunity will build resilience for the girls as we will be learning a new skill and we will fall over lots!

This trip will give us the opportunity to stay in a different country, eat different foods and if we go with the Surrey Special Schools trip help others and make new friends. This trip would be good for building confidence and for making us fitter.
