

School Improvement Plan 2023 2024– Parent version

The Limpsfield Grange School Improvement Plan 2023 - 2024 outlines our strategic aims for this academic year, which are:

- To expand provision at Limpsfield Grange to meet the needs of a growing number of Autistic students across Surrey and beyond
- To continue to develop a rich and diverse curriculum offer which meets the changing needs of our student population
- To continue to improve the internal and external environment of the school

I am very much looking forward to working in partnership with you all over the coming months to achieve our aims, and to ensure the best possible outcomes for all of our students.
