<b>WACI</b>	WACI lessons focus on Wellbeing (including Relationships and Sex Education and Online Safety), Communication and Independence (including Careers Education, Information, Advice and Guidance and Financial Literacy). The lessons are bespoke and planned to meet the needs of the individual student.					
<b>Independence</b>	Lessons working on areas linked to the Independence strands of the WACI curriculum. Lessons will be both in school and offsite, enabling students to practice their independence skills such as road safety, map reading, using public transport and attending the gym, as well as visiting retail outlets to improve their communication skills.
