

Newsletter February 2026

Welcome to the first newsletter of 2026!

It has been a very busy half-term. Our Year 10 students have been making good progress towards their Duke of Edinburgh Bronze Award by canoeing at Thames Young Mariners in preparation for the Summer Term expeditions. Some students in Year 11 have been practising their independence skills in the local community. Due to public demand all students participated in follow up British Sign Language workshops as part of our extended curriculum experience. British Sign Language has proved very popular at Limpsfield Grange, and many students have shown real flair for sign language.

As part of our careers offer and WACI curriculum Year 10 students attended the National Apprenticeship Show to develop their knowledge about the wide range of apprenticeships available to study aged 16 or 18. The broad range of exhibitors included the Army, construction companies, British Airways, major international retailers and the Metropolitan Police Service to name a few. Students thoroughly enjoyed speaking to exhibitors, asked some challenging questions and had some great conversations about the pros and cons of each industry.

It was a pleasure to share our recent outstanding Residential Ofsted report with you earlier this half term. Students took a lead role during this inspection, speaking to the inspector about boarding and the wider school. The inspector was incredibly impressed with the students that he met and was full of praise for them.

I hope that you have an enjoyable half term break, and I look forward to welcoming students back to school on Monday 23rd February 2026.

With best wishes,

Sarah Wild

Headteacher
