LIMPSFIELD GRANGE SCHOOL

'together we make a difference'

Newsletter October 2026

Dear parents and carers,

Welcome to the first newsletter of this academic year. I would like to begin this newsletter by thanking the staff, the students, and you, our wider community, for your support in making this half term so successful. Our new Year 7 students are settling into life at Limpsfield Grange well and we have enjoyed getting to know them over recent weeks. We can already see that our newest students are more confident and are really engaging in their learning.

At the end of the summer term, we bid farewell to our fantastic Year 11s. The Year 11s achieved some impressive GCSE BTEC and Functional Skills results which reflected their hard work and dedication. I am pleased to say that everyone achieved the best grades that they were capable of. Our ex-Year 11 students have made successful transitions to colleges and sixth forms to continue their studies - we wish them well for the future and hope that they stay in touch. It has been lovely to see some of our leavers who have already come back to let us know how they are getting on.

There is an Online Safety Presentation for parents and carers on Thursday 15th October 2026 10.30am – 11.30am. The session will be held online and will be delivered by Charlie Benson from Childnet (www.childnet.com). The session aims to offer parents and carers help, advice, resources and guidance to support their child's online safety and digital wellbeing and will cover topics such as grooming, bullying, fake news and sexting. The session is open to all parents and carers of Limpsfield Grange students. For more information, please contact the school office.

I would also like to bring to your attention the NESCOT Saturday academies for students in Years 9, 10 & 11. Every term NESCOT run Saturday academies in post-16 curriculum areas. A number of LGS students have attended the academies and enjoyed them. As well as giving an insight into the curriculum area, it is a good opportunity to experience a different environment and to work alongside other young people. NESCOT Saturday academies

At half term we bid a temporary farewell to Mrs Clayton, one of our long-standing teaching assistants, will be taking a break from LGS to go travelling for a few months. She will return to school after February half term. We hope she has a fabulous time and look forward to hearing all about her travels when she returns.

I hope that you all have a restful half term holiday. We are looking forward to welcoming students back to school on Monday 2nd November 2026.

Best wishes Mrs Wild **Headteacher**
